DETAILED ACTION

The communications (i.e., the amendment, USC 1.132 Declaration, and SCORE Sequence listing) filed 10 December 2008 are acknowledged and have been entered.

Claims 3, 6, 7, 11-15, 20-31, 33, 34, 37-39, 41, and 42 have been examined on the merits.

The text of those sections of Title 35, U.S. Code not included in this action can be found in a prior Office action.

Claim Rejections - 35 USC § 112

Claims 3, 6, 7, 11-15, 20-31, 33, 34, 37-39, 41, and 42 remain not enabled with respect to the following biological deposit requirement (as set forth in the previous Office action):

If the deposit(s) has/have been made under the terms of the Budapest Treaty, then an affidavit or declaration by Applicants or someone associated with the patent owner who is in a position to make such assurances, or a statement by an attorney or record over his/her signature, and registration number, stating that the specific strain(s) has/have been deposited under the Budapest Treaty and that all restrictions imposed by the depositor on the availability to the public of the deposited material will be irrevocably removed upon the granting of a patent, would satisfy the deposit requirements. See 37 C.F.R. § 1.808.

Specification

The disclosure remains objected to because the sequences recited therein fail to comply with the requirements of 37 CFR §§ 1.821-1.825, for the following reason:

Each of the sequences recited on page 7 of the instant specification must further be identified by its corresponding SEQ ID NO (within parentheses) thereafter.

Appropriate correction is required

THIS ACTION IS MADE FINAL. Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.

No claim is allowed.
